An aerial, top-down view of a white motorboat on clear, turquoise water. The boat is oriented diagonally from the top-left towards the bottom-right. On the deck, several people are visible: some are lying on lounge chairs, and others are standing or sitting near the cockpit area. The cockpit has a windshield and a steering console. The water is exceptionally clear, showing some underwater details. The overall scene is bright and sunny, with shimmering reflections on the water's surface.
